

## Music development plan summary: Holy Trinity Church of England Primary School

### Overview

| Detail   | Information   |
|--|---|
| Academic year that this summary covers   | 2024-2025   |
| Date this summary was published  | Autumn 2024   |
| Date this summary will be reviewed   | Autumn 2025   |
| Name of the school music lead  | Jennifer Morrell                                      |
| Name of school leadership team member with responsibility for music (if different) | Jennifer Morrell                                      |
| Name of local music hub  | Sefton  |
| Name of other music education organisation(s) (if partnership in place)            | Liverpool Anglican Cathedral,<br>Sefton Music Service |

This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

### Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

At Holy Trinity Primary, our music curriculum is designed to immerse the children in their Discovery learning, experiencing a wide variety of musical opportunities- including playing and listening to a wide variety of musical instruments and musical genres. It is carefully planned to ensure children gain the cultural capital and language enrichment to become confident when sharing their opinions about music and be able to speak passionately about a wide variety of music.

Our curriculum music lessons are in line with aspects of the Model Music Curriculum (non-statutory guidance) and incorporate the teaching units outlined in the Charanga scheme of work. Our Music Curriculum celebrates our rich, diverse community. Through learning about music and songs from around the world, children can discover a wide variety of cultures.

Children will learn about different musical styles, such as rhythm and blues, rock and pop. In addition, they will listen to music from famous musicians such as The Beatles, Frank Sinatra, Benjamin Britten and Strauss. All children will be given the opportunity to play a variety of instruments, such as glockenspiels, ukuleles, djembe and brass instruments to inspire them to become musicians themselves.

Children of all abilities and languages are catered for to ensure that they are able to compose, perform and play to a variety of audiences. Pupils are given additional support within lessons, dependent on their individual needs. This can be provided on an individual or group basis.

Children in the Early Foundation Stage access musical opportunities through enhanced continuous provision activities, learning, reciting and performing set nursery rhymes and through formal teaching of the Charanga units in the Reception class.

Children in KS1 and KS2 take part in weekly hour long music lessons taught by class teachers or specialist music teachers. In KS2, children in Y3 – Y5 learn to play a variety of musical instruments from the ukulele to djembe drums. We have identified the core knowledge and skills progression across the school necessary for children to become successful musicians (which is set out in the music core skills document). In addition to the music units taught in each year group, Sefton Music Service provide further specialist teaching within the school. We provide access to singing opportunities within the curriculum, singing assemblies and worships.

For Whole Class Ensemble Tuition, instruments are provided for free. Children are encouraged to take these instruments home to continue their practice outside of school. As musical understanding develops, children move towards reading and playing staff notation. Throughout the year, parents are invited to concerts on several occasions to observe progression. Djembe is offered to give children an opportunity to learn about diversity in music.

Year 2 and 3 students participate in the Liverpool Cathedral Schools Singing Programme. This ensures our pupils meet the developmental targets set in the National Plan for Music Education for KS1 and KS2. Learning targets all eight points of the Model Music Curriculum through developing singing and enhancing musicianship, all through performance. As a faith school, this programme also satisfies RE and SIAMS criteria. This enables children to understand that singing is a key part of worship and may be a way of expressing their faith.

## Part B: Co-curricular music

**This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles and bands, and how pupils can make progress in music beyond the core curriculum.**

Holy Trinity works closely with Sefton Music Services, which provide weekly small- group brass tuition for Year 6 pupils. This tuition is free of charge and includes instrument loan.

For Whole Class Ensemble Tuition, ukuleles are provided for free. Children are encouraged to take these instruments home to continue their practice outside of school.

We have strong links with the local church. The church choirmaster is invited to visit school to recruit KS2 children to join the church choir.

## Part C: Musical experiences

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

Linked to celebrations in our local Church, Reception and KS1 children perform a nativity play that incorporates songs, while the KS2 children present a Christmas carol concert to retell the nativity story, with performances with ukuleles and djembe drums. Parents, carers and the wider school community are invited to experience these with the children.

The school further enriches the musical experiences of its pupils by collaborating with external partners. At the end of the school year for the Liverpool Cathedral Schools Singing Programme (Big Sing), Year 2 and Year 3 classes are invited to join a collaborative performance with all the involved primary schools at Liverpool Cathedral. Parents and carers are invited to attend and celebrate their children's achievements. Children in Year 4, work with singing teachers as part of the Sing for Sefton project, resulting in a performance at The Atkinson. (Free for participants and spectators).

## In the future

This is about what the school is planning for subsequent years.

Holy Trinity will continue to work alongside Liverpool Anglican Cathedral and Sefton Music Service to further develop our music provision and enhance the musical experiences for its pupils.

**This is to continue next year. Year 2 and Year 5 will both take part in the School Singing Programme organised by Liverpool Anglican Cathedral. Sefton Music Service will continue to provide high quality lessons, using ukuleles and djembe drums for Years 3- 5 as well as weekly small- group brass tuition for Year 6 pupils.**

In the summer term, we will be reviewing our music curriculum as we move towards using the Kapow scheme of work in order to ensure that our music curriculum meets the needs of our diverse population. The implementation of this new scheme will require planned staff CPD

and the music subject lead to collaborate with other schools within the Trust to share best practises, resources and expertise in music education.

We now subscribe to the Kapow scheme of work for music. Further work needs to be completed next year to provide high quality CPD.

We will continue to try to develop our extra-curricular provision, so that children have the opportunity to join a weekly choir club. Also, to identify pupils who are entitled to pupil premium funding and provide opportunities for these children to access instrumental tuition.

A weekly KS2 choir club has begun using links with our parish church. We are currently investigating provision of instrumental tuition through Rocksteady Music and this will include bursary provision for one child in school.

We will continue to develop further opportunities for children to perform for a variety of audiences, including having a termly school performance and engaging with the local community, such as Holy Trinity Church's luncheon club.

A new music teacher from Sefton Music Service has begun to teach in school. We aim to plan termly performances for the children in Y3- Y6 and have planned our Christmas Service to be on the day he is in school so that these children can perform in church.
