Termly Value

This half term, our value is FRIENDSHIP. A Christian Perspective on Friendship:

Christians believe they can call God their friend because of the relationship made possible through Jesus.

Reflecting as a whole school community, some questions to consider:

- How does the school support and encourage friendship bonds by providing opportunities for children to work cooperatively and collaboratively in pairs and in groups.
- How does the school community find ways to support and include pupils who might be left out of friendship groups?
- How does the school help pupils to restore broken friendships and promote reconciliation?
- How does the school help children know where they might receive advice and support if they need it?

Message from Mrs Thompson

A short week this week has brought the sunshine with it which is lovely. We are due some very warm weather next week so please make sure that your children bring hats and water bottles. Applying sun cream in the morning before school will ensure that they are fully protected throughout the day.

Our Year 6 children have an important week coming up next week as they do their SATS. We are incredibly proud of each and every one of them already and we know that they will do themselves proud.

Have a lovely weekend.

Mrs Thompson

Attendance

The Government has launched a national campaign, aimed at parents and carers, on the importance of school attendance. Our goal is to create a nurturing and affirmative bond between parents and school, emphasising the pivotal role attendance has in enhancing their child's overall wellbeing.

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

We will be sharing some interesting information over the coming weeks but to begin with, we would love you to read this manifesto which focuses on the importance of every experience in school. This explains how every moment matters and if your child is in school then these experiences have a positive influence on your child.

School Uniform

Please can I remind you that PE Kit should only be worn on PE days. There are lots of children wearing trainers and joggers/leggings on days when they haven't got PE.

Our polo shirts are light blue and not white and grey trousers can be worn by girls or boys, but not leggings. Here is a picture to remind you about our uniform expectations.

Summer Uniform

Depending on the weather, a summer uniform consists of a blue gingham dress instead of a skirt and polo shirt or school shorts may be worn instead of trousers.

DISCOVERY AWARD

This week we have relaunched our **DISCOVERY** curriculum in school. Mrs Thompson delivered a lovely collective worship on Monday to the children and shared the reasons why we have developed a bespoke curriculum for our school as well as explaining what each letter of **DISCOVERY** stands for, as you can see in the table below. We are so proud to offer our children this knowledge-based curriculum with rich and vibrant learning opportunities which are ambitious for all our learners.

This week we have changed our gold award to the **DISCOVERY** award, each week one child from each class will be presented with this certificate for demonstrating one or more of these elements for example, showing resilience, learning about yourself or being creativity etc.

We look forward to continuing to see our children live out these statements so that they can *'be the best we can be, for God for others and for ourselves.'*

Safe Parking

We know that parking is difficult around Holy Trinity but our biggest priority is that we keep you all safe. With this in mind, our church have had a bollard installed at the entrance to the Parish Centre. This will be raised every morning and at home time to prevent any cars from driving and parking there. Mr MacNeil will be positioned by the main church entrance now to ensure that cars are not pulling in, which is a hazard for our families and children. We really do appreciate your support with this. **Please do not attempt to drive into either entrance – our children's safety is a priority!**
